About Our Piglets

Pig Roast Catering is the home of the ultimate culinary experience - a whole spit roasted piglet! Nothing beats the tantalizing aroma of a slow roasted whole piglet sizzling on the rotisserie!

We use only top quality, government inspected piglets, sourced from local Ontario farms and carefully prepared with our master griller's secret blend of spices, herbs and seasonings and roasted inside our professional stainless steel roasters until "crackling on the outside, tender and juicy on the inside" mouth-watering

perfection!

These edible works of art make an WOW centrepiece for your buffet or catered event! Experiencing the cooking process and the anticipation of tasting the delicious result is sure to bring another element of excitement to the guests at your event!

The Consummate Event Planner! **Paula D’Uva, President of Pig Roast Catering**

Paula lives, breathes, eats, sleeps and dreams events! Every aspect of the event must be a vision to behold! A perfectionist when it comes to the minute details, and tireless force for implementation, she is one of the top event planners in Ontario! Paula ensures that every dish is garnished to perfection, every buffet table is a work of art and every event perfectly reflects the client and their vision.

Involved in the hospitality industry for over 23 years, Paula has a true passion for delivering perfection and quality. Paula’s roots begin in Italy where her family name D’Uva was conceived from her grand father’s vineyard where attention to detail and hard work along with celebrations were a way of life. Her love for food, wine, hospitality and entertaining encompasses what Paula is all about.

The Passionate Chef! **Ivan Karlovcec, Chief Operating Officer**

Larger than life passion, tireless energy, love of great food, particularly the meat! This man knows his meat!! Ivan, a certified chef and butcher is totally committed to ensuring the client and their guests an absolutely unforgettable food

experience!

Serving the meat industry for over 30 years, Ivan found a passion for cooking and entertaining and started evolving and redefining the Pig Roasting process for the last 20 years. Not being satisfied with what was being offered in the market place; Ivan decided to bring his style of Culinary Excellence and Artful Presentation together in one unique spit roasting system that has universal appeal across all cultures that share the love of pig roasts.

Ivan uses local Ontario farm raised piglets, hand butchered and dressed for ultimate tenderness and flavour. Ivan also grows much of the produce, herbs and vegetables which are used in his dishes. Ivan is dedicated to developing the most delicious recipes and flavour blends so that every banquet is memorable.
